To pursue an academic program at the UDLAP with duration less than or equal to 180 days and if you are a citizen of a country without visa restrictions in Mexico, you can travel to Mexico as a visitor (known as *tourist* previously). This condition of stay authorizes you to stay in Mexican national territory uninterrupted for no more than 180 days from the date of entry, without permission to carry out activities subject to remuneration in the country. Foreigners, who are in Mexico under this condition as visitors without permission to perform paid activities, may not change their migratory status and will have to leave the country by the end of the authorized period of stay.

EXCEPTION: If you are a citizen of a country with visa restriction in Mexico, you will need to process a *Temporary Resident Visa- Student* at your nearest Consulate of Mexico, as you will not be able to enter the country as a visitor.

FOR 2 OR MORE SEMESTERS OF STUDY "TEMPORARY RESIDENT VISA- STUDENT"

To pursue an academic program at UDLAP for longer than 180 days, it is necessary to have a *Temporary Resident Visa- Student*, and you will need to complete a 3-step process:

1. Process your visa at a Consulate of Mexico close to you. The visa is issued for one hundred eighty calendar days, valid for a single entry to Mexico during this period.
2. When you enter Mexico at the Airport, you will be given a "*Forma Migratoria Múltiple (FMM)*" which you will need to present to the INM once you are in Mexico to get the *Temporary Residence Permit*.
3. Once you are in Mexico, a *Temporary Residence Permit* must be requested from the INM within the first thirty calendar days from the date of entry into the national territory. This card will be valid for one year and allows multiple entries in and out of Mexico. If this procedure is not completed within the 30 designated days, the student will be subject to pay a fine from the INM.

The International Office provides information to all students about this process, but it is the student's responsibility to fulfill the INM's requirements.

Foreigners coming from countries that require a visa to travel to Mexico must process it before traveling to Mexico. The UDLAP International Office will send an Acceptance Letter in order for students to process a student visa, if necessary.
